ARCHIVISTS

The Argive Army occupied the plain to the north of the city. Their leader, Polyneices, led the final attack against the city, which was unsuccessful. He fell in hand-to-hand combat with his brother Eteocles, who was also killed...

OPERATOR

So I'm in charge of sixteen birds, right? In sector R1. And I spot the two of them circling each other. Right before they're about to [*makes a killing gesture*] So I zoom in. And I can see their eyes. All the hate in their eyes. Two brothers hating

each other that much—it's not natural. Then again, nothing about that family was natural.
